Reminder:

The Public Information outreach for this year consists of packets (paid for by the Intergroup), which contain several pamphlets of interest to professionals. Members are encouraged to give a packet to their doctors, therapists, clergy and other professionals who come in contact with people who can benefit from OA's message. Initial response has been very positive. The packets cost about \$3 apiece, so we cannot afford to hand them out en mass, but we hope that, if members are willing to talk to their own doctors, etc, that we will carry the message. Included in the packet is information about how the professional can obtain additional pamphlets for use in their practice.

Groups and individual members can obtain the packets through their home group or by contacting Elizabeth by e-mail, [darr600@att.net](mailto:darr600@att.net).

Warmest Regards, Stephanie

*The meeting closed at 11:12am with the Serenity Prayer.*
