Pi committee- Faith – . Regular meeting is at 2:45pm North Kansas City Hospital, Barry Room, all are invited to attend. Planning to participate in Health Fair at St. Joseph's Hospital on May 2. Becca made a nice banner for the health fair. John and Faith will shop for a professional-looking table cover and banner to be used at health fairs.

Requested increased funds over \$400 in budget, because of start up costs of literature and banner and table covers to be used at health fairs. We decided to leave budget at \$400, but approved a one-time allocation of \$200 to cover the start up materials and an additional \$200 to be charged to the literature budget for additional literature.
